Declaring the Lord had commissioned yards today. He was accepted after a she was not drowned. struggle and found to be carrying a loaded Lord is inche or only shamming.

the stock yards late in two cars on the Laks Shore road, were thrown into a punic by a furious actack by a mob of 200 throwing stones, which demolished nearly every window in both cars. Explosion of torpedoes warned the engineer to stop. Instantly a mob rushed out from places of concentment and the rock throwing began Three policemen standing upon platforms beat back the rioters, while the frightened negroes hid under the our cents, while the train pulled away from the scene.

Attempts to smurgle out nonunion mest from the stock yards through subterfuse today resulted in an exciting chase and the complete failure of the plan. The ment had been loaded by Armour & Co. into a wagon by the Great Western Art company and, sluding the vigilance of the pickets, the driffer had passed out of the yards. The pickets shortly after learned the facts. They mounted a street car. Martin. overtook the driver and compelled the man substitute, William H. Glasser. to turn lack to the yards, where the most was unlouded.

Arrest Union Officer. President F. Golden of the tenmeters' union turned strike picket today, defied CHANGES ON 'FRISCO SYSTEM Police Inspector Nicholas Huss and was owned by Terry & Co., being driven past his office. He called to the teamster;

"Where ere you going?" "Anywhere I plouse, so long as I attend to my own business," was the reply, whereupon Golden ordered the driver to turn back.

of words. First strains his club at the strain sender, deciared there would be an important arrest if Golden did not "shur "The refused and the arrest followed. The arrest column intelle excitament and within two minutes several thousand men had gathered to watch the proceedings, "This is an outrage," declared Golden "I have been gullty of no offense against

the law." At the lime of Golden's arrest the police also took into custody G. T. Baser, who was in the imamiters' headquarters. He was charged with interfering with an offi-

Both prisoners were taken to the station in a patrol wagon. Ball was refused mently protesting against what they declared was an outrage.

It was the first time a chief of the striking thousands was taken into custodys Leter, bowever, President Golden, after n stormy talk with Police Inspector Hunt in which International President abon of the teamstars' organisation took part, was

Golden was liberated only on condition that he remain away from labor headquarters until after his hearing tomorrow George T. Busse, another efficial of the teamstern' union, who was arrested with Golden, was likewise freed on bonds, International President Shea of the Bretherhood of Teamsters was outspoken in his denunciation of the arrest of Golden. "Colorado methods seem to pravail," said

Disorder at Nelson Morris & Co.'s branch in Bouth Chicago today caused the arrest of five man, who had attucked retail meat dealers guing for supplies and overturned two ungone. The leaders were arrested.

May that for Pederal Aid. sempt to enforce an order forbidding all members from isselling consignrents to Citizen and Property. Owner Rec and from the stock yards, the action will be fought by the American Anti-Boycott amorphiton, and the federal authorities will be saked to intervene. So spected Daniel Davenport, eccoutive agent of the amock tion, who arrived in Chicago from Bridgeport. Coan today. The treight handlers' print was adopted by its council and then simpanded penting a call from Prosident Donnelly. Mr. Davemport said the three. is abolish to one in the case of Debs in the American Hallway union strike of 1884.

"We will order freight handlers not to touch configurate true the trust packets just the tackent that President Dopust hate it," declared President Curran of the froight handlers, today, He added: "That report may come at any inement."

Talks Pance Softlement. A meeting of the allied packing house trades today was attended by General Agent W. M. Burnner of the Union Stock Yards mid Teamilt company. The subject atrice handlers was considered and a comof General Managur Louising of the Union Stock Yards and Trausit company and hote a conference relative to a peace settlement.

FATHER SUSPECTS MURDER COUNSEL HOLD CONFERENCE RUSSIA FINDS CONTRABANG STILL DRAWING FOR LAND Alleges that Miterial from America on Apphin in Liable to Scinner.

> VLADIVOSTOIL, July 29.-The German steamer Arabia, under charter of an American company, which was captured by the Russian croiser Gromobol July 25 100 miles north of Yokobama, has arrived here in When Present List is Satisfied Claims charge of a prize crew,

That portion of the atmmer's cargo which te alleged to be contraband comes from Portland, Ore. The Arabia, with two other ships of the Hamburg-American Trading company is under charter for three years to the American Trading comcarrying contraband. It is commanded by office of the former in the Paxton block. Germand and twenty-seven Chinese. Ac-The session lasted over an hour and Sheriff cording to statements by the Chinese on and his wife was found under the bridge. Power was present. Mr. Smyth and the board many American steamers are ensheriff would not commit themselves us to gaged in carrying contratund, including As the numbers neared the 2000 mark and

5d tons of rations material are addressed to Yokohama, Mabe and Nagasaki and consequently are contraband. The fron of the eargo commen of platforms, wheels, axica boilers and parts of bridges. As the contraband of was abound the Arabia forms less than half it cargo the vessel itself is not liable to possure. After the coptraband has been discharged, therefore, the ship will probably be released. The final decision as to its disposition rests with the prime court

The prize crew on hourd consisted of Lisutenant Viadiabale and forty-two men from the cruiser Grombol.

Claim to Follow Sules of War. The naval men here cannot understand why the British and American papers should be questioning the legality of the actions of the Vladivostok squadron in the Pacific. The Bussian orubors, it is as-serted, are acting under the rules formulated in regard to prizes and imperially confirmed March 27, 1836. They were then published for the information of all the powers and for nine years neither Great Britain nor any other power has protested. Paragraph 21 of these rules reads:

In extreme cases, where the retention of ships is impossible owing to their bad condition, when they are of small value or in danger of recapture by the ensemy, when at a great distance from a home port, or when there is danger for the ship which has taken the prise, the commander, upon his personal responsibility, may burn or sink the captured vessel, after proviously laking off its crew amb as far as possible its cargo. Its documents must be preserved, and even witnesses can be held for the purpose of giving testimony before the prise court.

The destruction of the British steamer justifiable under the above rule.

mation, in which to said:

I give notice that all our subjects who transgress will do so at their own perliand that and will under no circumstances procedure our prote on.

street while Chief Briggs and Contain the carge owners of the steamer Knight Shields drove slows Q street and pleted Commander, sunk by the Russian Visdiup a few special policemen. When the car vostok squadren, called at the State destopped at Thirty-third street a crowd of partheen today and had a short informal about 300 surrounded the motor and quickly conference with Solicitor Penileid respect-Three successed in reaching the Cudahy government of the claims of these owners plant. Sheriff Power declared that the men for the destroyed cargo. It was arranged on the car disappeared before he had a that a written brief should be arbmitted later on embodying the legal points sought the little performance was all over Chief to be made in this case. It is clear to the minute expired from the time the our own government respecting the sinking of copped before it was empty. But' the hautral ships, the practice, opposed as it is unny part of it was a large number of to all modern principles of international

ment without a strengous protest. PORTLAND, Ove., July 18.-Besides the monetts the shariff remarked that there Portland Flouring Mills company, on bebalf of which firm Senator John H. Mitchell protested against the seisure of flour on the Portland & Asiatic company's steamer Arabia by the Russian Vladivostok aquadand the ohief declars that no violence was ron to the State department, Balfour Guthrie & Co. and the Multnoman Mills company of this city shipped ..our on the

Arabia to Hong Kong. The Portland Flouring Mill company consigned its entire shipment to a Chinese port, but the other houses, together with T. M. Stevens & Co. of Portland and the Eddy, Felk & American Tracing company of Ban Eraneisco also dispatched flour to Japan, the destinations being Yokohama, Kobe, Mojl and Nagasaki

The railway motorial in the Apabla was consigned to a Japanese firm and is supposed to be mission for the use of the road connecting Yokohama and Koha. There were three shipments of cars from this port, the first lot going on the steamer Nicodema, which was not motorted, and t now about to return here from the Orient. are unakilled laborers and cannot be of The second shipment went forward on the much use around a packing plant under Arabia and a third consignment is abound two weeks or a month. In fact the atrivers the Aragonia, which salled yesterday and new is at Astoria, while over thirty cars yet remain here waiting transportation.

ment of the difficulty, they look, act had flour carried by the Arabin is subject to Less thus 500 tons of the 8,000 tons of selsure, as only 600 tons were billed to ports in the mikado's realm. The efficials of the Pertified & Asiatio company do not anticipate the Arabia will be detained at Vladivostok for any great length of time, as less than half its cargo comes under the head of contraband goods. It is expected the proceed to its regular ports of call niment immediately. The assertion that the Portland & Asiatio company is sugaged in the futed here. The company is conducting its business on the same basis as other lines. operating to the Orient from the coast, all know that this is not true. Every one, of which are carrying cargoss of similar

> It is held by the scenpuny that proof most be furnished by Hursin that the shipment going to Hong Kong was a shipment to Japan or that shipments going to Japan were desired for the naval or land forces of the milade.

Bunden Crafeev of Fruit. William Pary, Leavenworth, Ean. Goes to Pulling. NEW CHWANG, July 12 .- 6 p. m - Heavy firing was heard outside of New Chwang

until 3 o'clock this afternoon.

M. Grosse, the Russian admirterator of New Chwang, has gone to Paking. After the hattle of Tu Yohe King fourteen trains were used to carry away the Rossian forces engaged. It is said here that m this fight the Japanese, did, not come to close quarters, the battle being purely an artiflery duel. The Russian Joseph at Ta-Tone like are declared here to have been
